

## REMARKS

### Claim Amendments

Claim 1 has been amended to correct a typographical error. No new matter has been added. Claims 6 and 7 have been withdrawn in response to the restriction requirement as described below.

### Restriction Under 35 U.S.C. §121

The Examiner has restricted the claims under 35 U.S.C. §121 to one of two groups: Group I (claims 1-5) directed to compounds and Group II (claims 6-7) directed to methods. In response to the Restriction Requirement, Applicants elect Group I (claims 1-5) for initial prosecution on the merits. Further, Applicants respectfully point out that the election of Group I product claims requires that withdrawn process claims be rejoined in accordance with MPEP 821.04 should a corresponding product claim be found allowable.

### Election of Species

The Examiner has also required Applicants to elect a disclosed species for prosecution on the merits. Accordingly, Applicants elect the disclosed compound

for beginning examination. Applicant respectfully submits that the elected species reads on each of claims 1-5.

### Conclusion

Enclosed herewith is a check in the amount of \$110.00 for the fee set forth in 37 C.F.R. 1.17(a) for the purchase of a one month extension of time under 37 C.F.R. 1.136(a). The Commissioner is hereby authorized to charge any underpayment or credit any overpayment of such fee to Deposit Account No. 08-0750. Further, if there is any

other fee deficiency or overpayment of any fees in connection with this patent application, the Commissioner is hereby authorized to charge such deficiency or credit such overpayment to Deposit Account No. 08-0750.
